

MANGALAM COLLEGE OF ENGINEERING

DEPARTMENT OF CIVIL ENGINEERING

STUDENT ASSOCIATIONS

A Students' Association provides a platform for students to develop their academic, technical, leadership, and organizational skills. It encourages students to participate in seminars, workshops, technical competitions, industrial visits, and cultural activities. The association promotes teamwork, creativity, innovation, and effective communication among students. It also serves as a link between students and faculty for addressing academic and co-curricular matters. Overall, the Students' Association contributes to the holistic development of students and prepares them for professional and social responsibilities.

We the Department of Civil Engineering have two student associations INDIAN CONCRETE INSTITUTE and INDIAN GEOTECHNICAL SOCIETY.
