A blood donation orientation program was held at Mangalam College of Engineering on 16th February 2023.

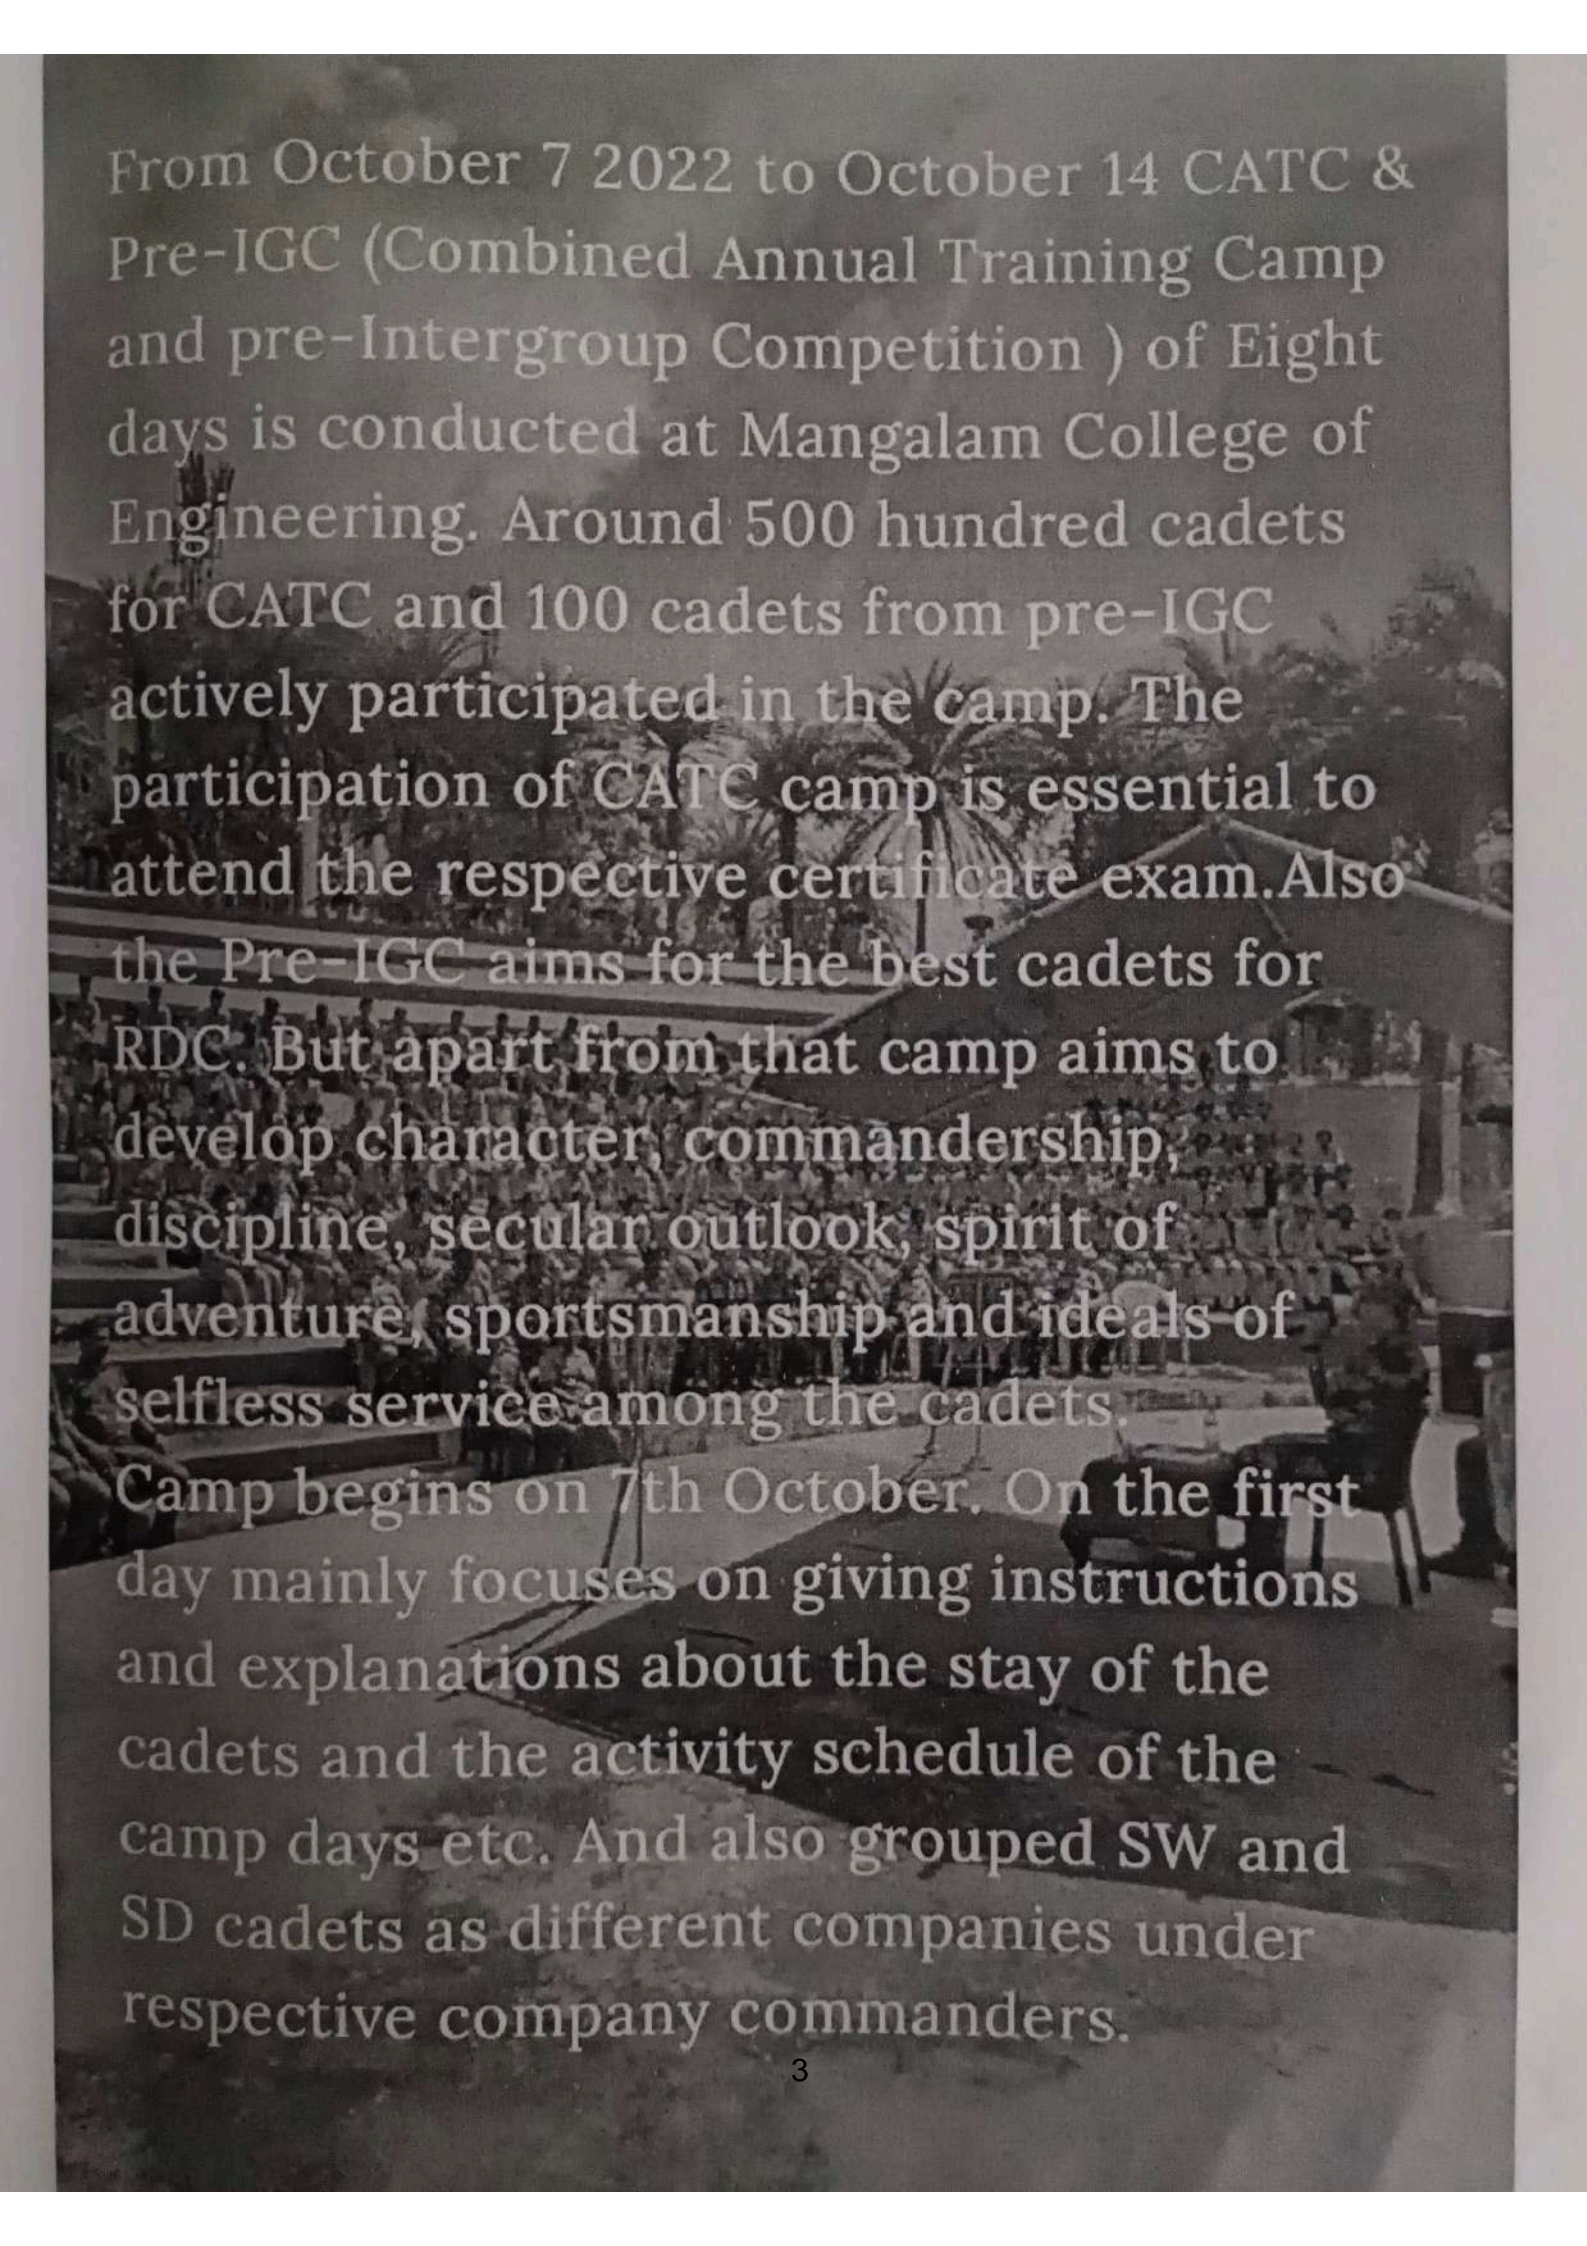

16K BN
CATC, PRE-IGC CAMP

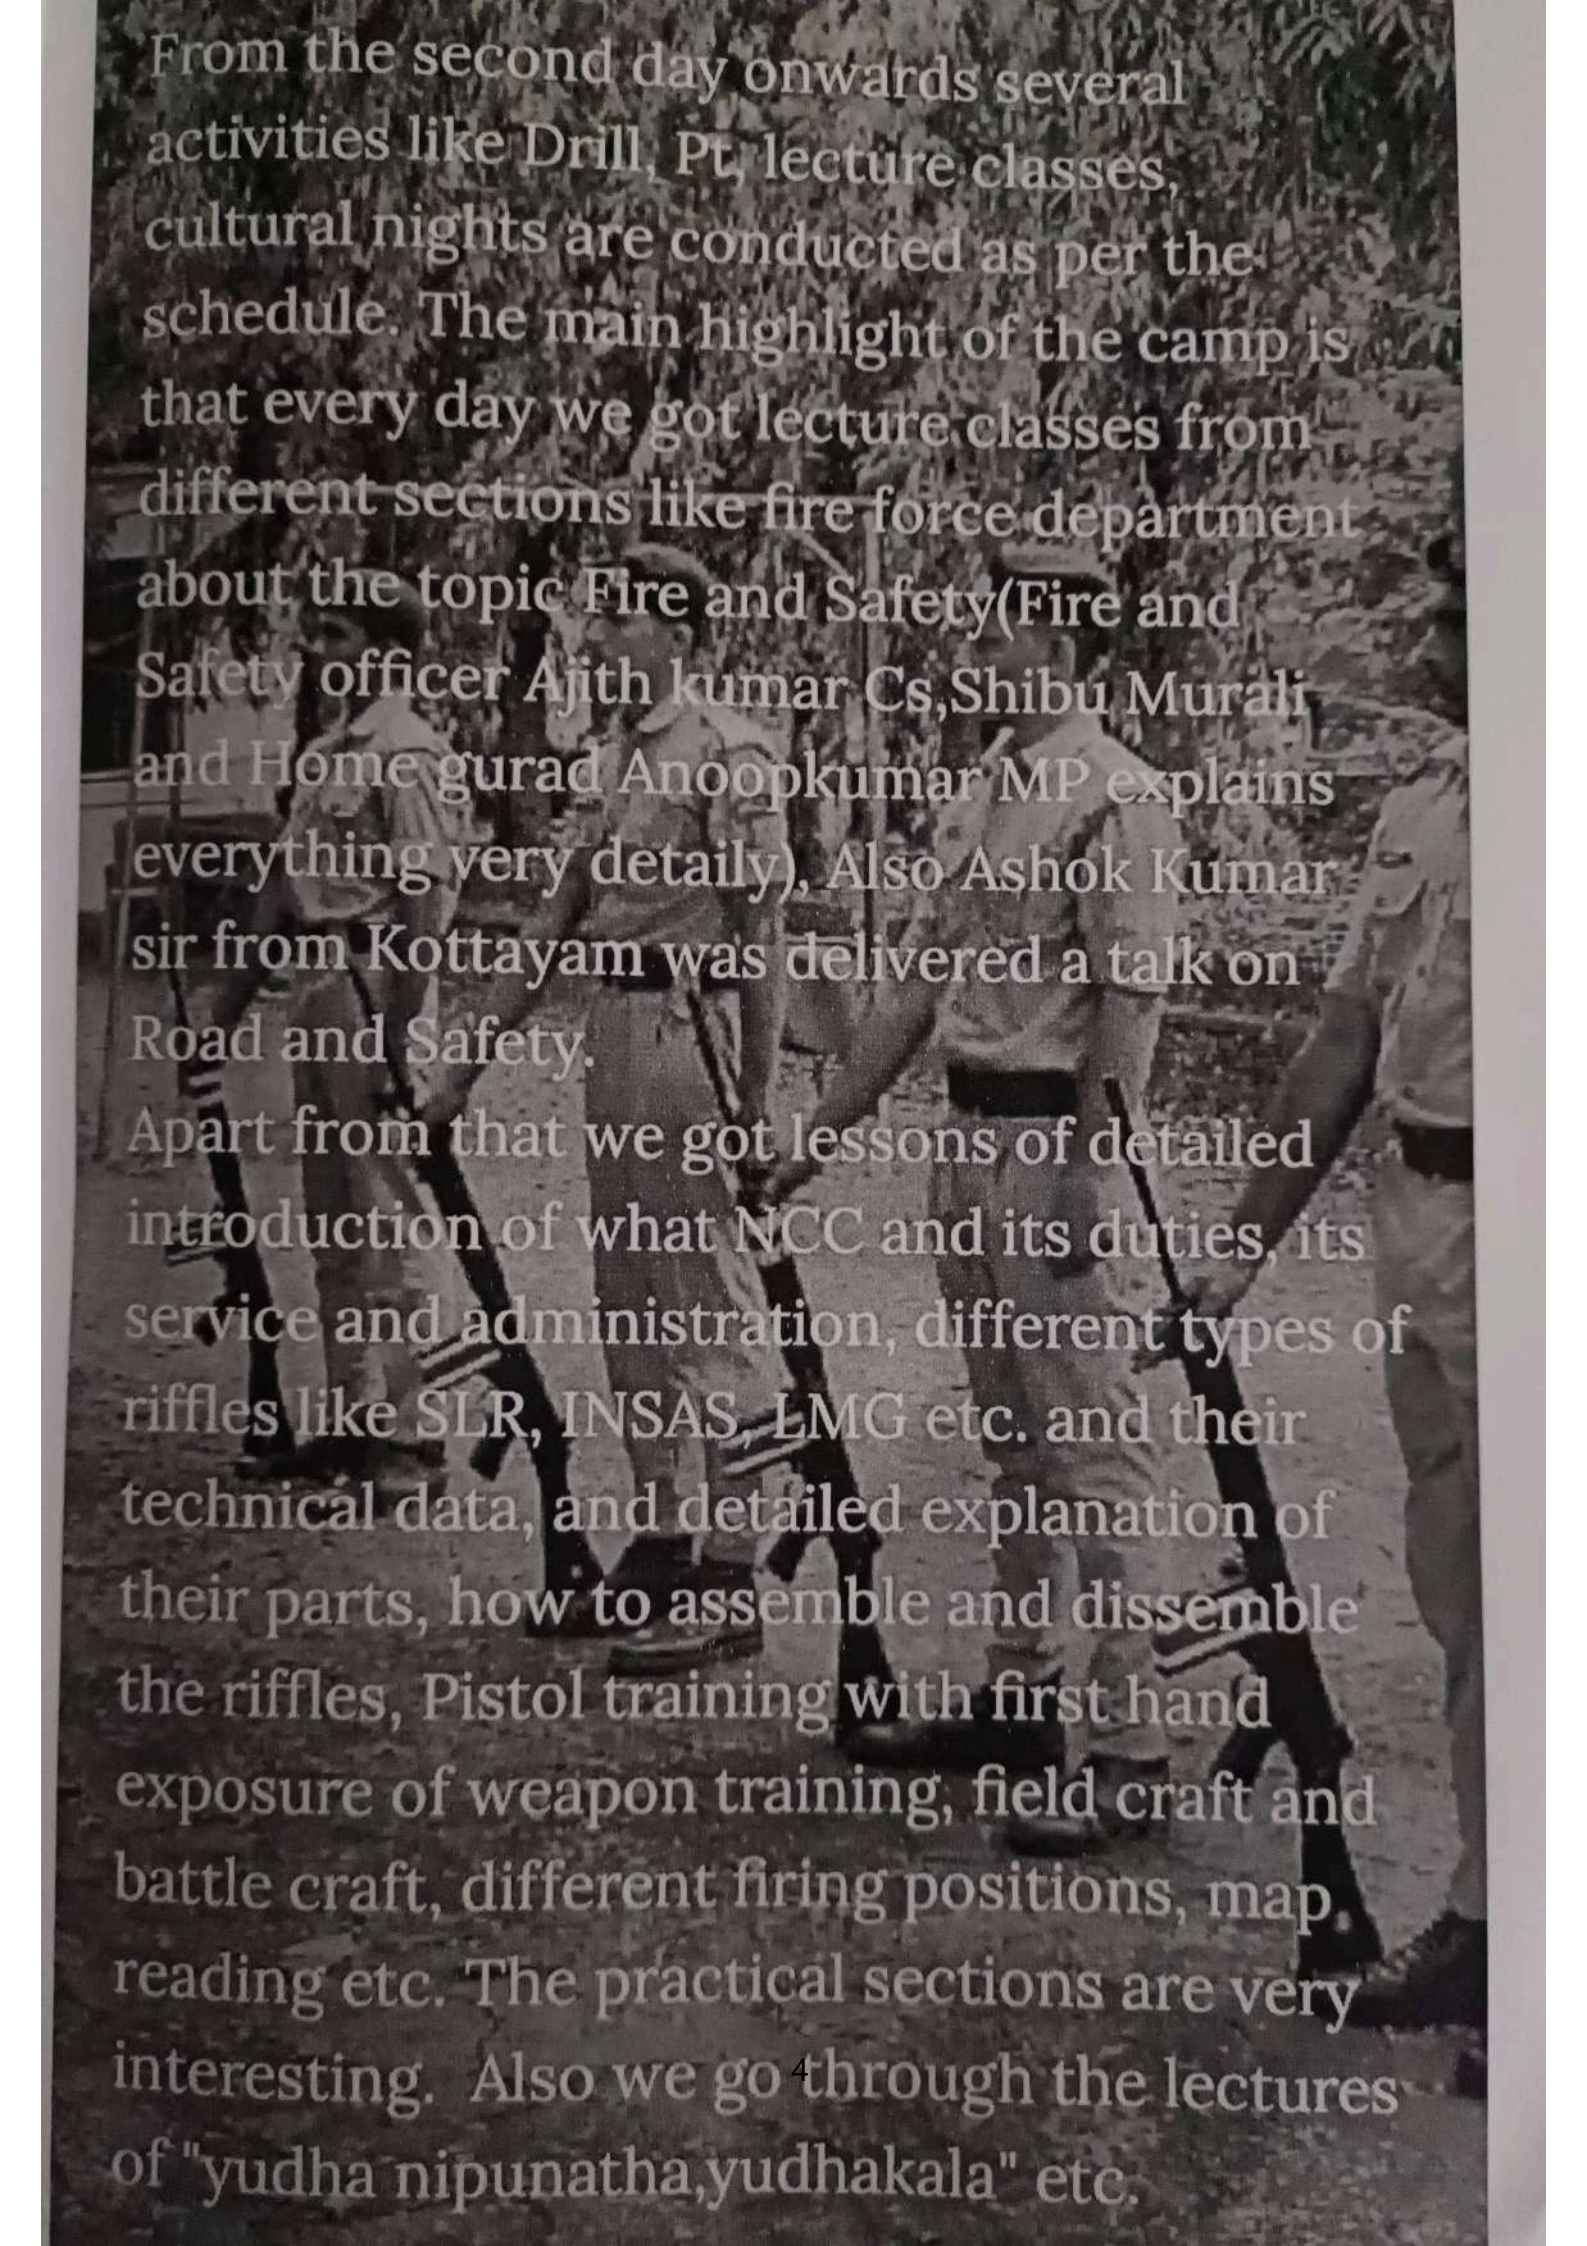

(Combined Annual Training Camp cum
Pre-Inter Group Competition Camp)

From October 7 2022 to October 14 CATC & Pre-IGC (Combined Annual Training Camp and pre-Intergroup Competition) of Eight days is conducted at Mangalam College of Engineering. Around 500 hundred cadets for CATC and 100 cadets from pre-IGC actively participated in the camp. The participation of CATC camp is essential to attend the respective certificate exam. Also the Pre-IGC aims for the best cadets for RDC. But apart from that camp aims to develop character, commandership, discipline, secular outlook, spirit of adventure, sportsmanship and ideals of selfless service among the cadets.

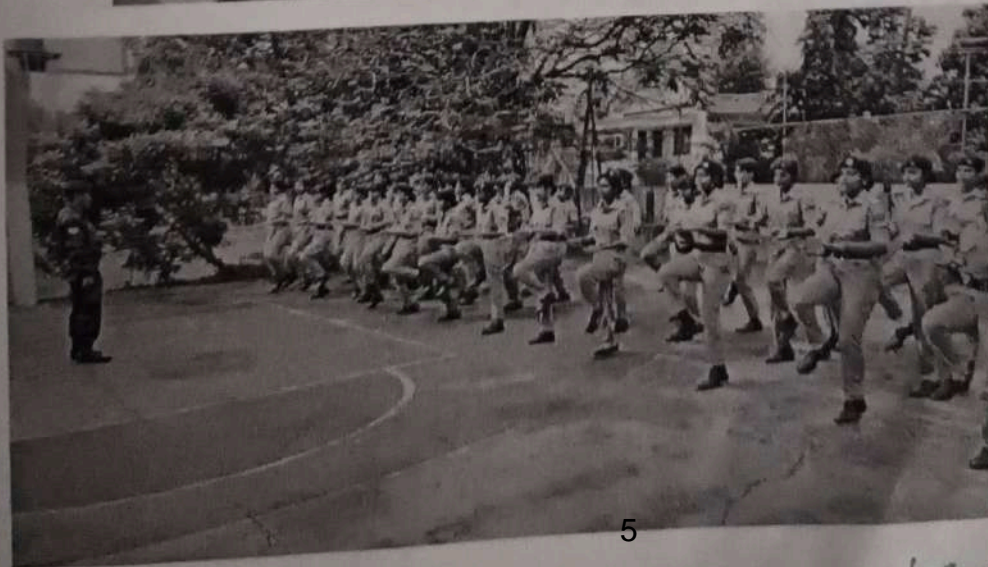

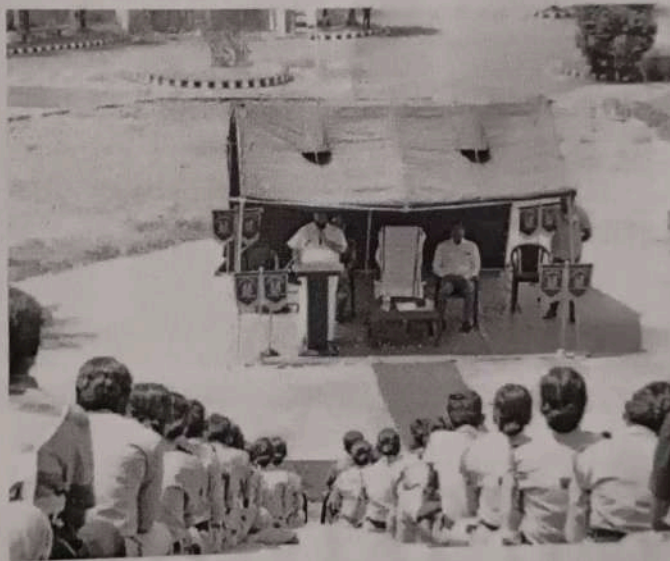

Camp begins on 7th October. On the first day mainly focuses on giving instructions and explanations about the stay of the cadets and the activity schedule of the camp days etc. And also grouped SW and SD cadets as different companies under respective company commanders.

From the second day onwards several activities like Drill, Pt, lecture classes, cultural nights are conducted as per the schedule. The main highlight of the camp is that every day we got lecture classes from different sections like fire force department about the topic Fire and Safety(Fire and Safety officer Ajith kumar Cs,Shibu Murali and Home gurad Anoopkumar MP explains everything very detaily), Also Ashok Kumar sir from Kottayam was delivered a talk on Road and Safety.

Apart from that we got lessons of detailed introduction of what NCC and its duties, its service and administration, different types of riffles like SLR, INSAS, LMG etc. and their technical data, and detailed explanation of their parts, how to assemble and disassemble the riffles, Pistol training with first hand exposure of weapon training, field craft and battle craft, different firing positions, map reading etc. The practical sections are very interesting. Also we go ⁴through the lectures of "yudha nipunatha,yudhakala" etc.

The vibrant disciplined cadets always took an active part and made the camp successful by their unity and co-operation. Each of the cadet efforts reflected in their success. Camp ended by the distribution of prizes in different categories of cultural events where the cadets has shown their talents. Also on the last day cadets are selected from Pre -IGC group for attending the Pre - RDC. Camp plays an incredible role in shaping the character of cadets by instilling the values of patriotism, service, discipline and hard work. And helps in developing leadership quality, courage and make the cadets to withstands with any extreme situation and fight it up through its training activities. It gives tremendous opportunity to one and all betterment, irrespective of caste, creed, religion and economic status.

DATE/TIME : 17/12/2022 (SATURDAY) 9.30 AM TO 2.00 PM.

PREAMBLE:

The Department of Computer Science and Engineering in association with the Social Club visited the Government Children's Home, Thiruvanchoor as a part of their institutional social responsibility on 17/12/2022(Saturday).

PARTICIPANTS:

A total of 15 students from S7 & S5 A and B batch participated.

DESCRIPTION ABOUT THE PROGRAM

The programme began with the entry of Santa Claus, followed by a welcome address by, Mr. Baburaj, Caretaker, Govt. Children's Home Thiruvanchoor. After that Dr. Sheela John, Medical Officer, PHC Thiruvanchoor delivered a christmas message. Ms. Anjana Sekhar Assistant Professor, Mangalam College of Engineering felicitated the gathering. Then S5 CSE students arranged a musical show followed by lots of games led by coordinators for all the inmates of the children's home and also gifts were presented by Santa.

Our S7 B batch students handover some fruits and sweets to Mr. Baburaj as a part of a contribution from their class. The inmate children perform various programs like dance, song, mimicry etc. It was a memorable experience to all. Finally we cut cakes and distributed it to all. Mr. Jishnu K.J, Care Taker, Gov. Children's Home Thiruvanchoor expresses their sincere gratitude towards us for taking the initiative of visiting them and spending time with them and for all the gifts presented.

The entire program was coordinated with the support of the Principal, Hod of CSE, Faculty Members and Research Scholars of CSE Department of Mangalam College of Engineering.

FEEDBACK:

The visit to children's home was enjoyed by the students and they are more interested to do such social activities in the future. Such activities create a feeling of social responsibility among the students.
