It is not unemployment but employability which is of concern today. Companies need trained and qualified students who are job ready. Employability skills denote attributes, competencies and technical skills possessed by an individual which would facilitate practical decision making and success at the workplace. The objective of this programme is to provide training to participants to groom their critical soft skills, general business skills and technical skills.

## COURSE OBJECTIVES

- To support students to become more skilled before their interviews.
- To guide them in aptitude and reasoning tests.
- To equip them to appear for interviews and group discussions.
- To support students to create suitable Covering Letter and Resume.
- To enhance students' knowledge on written communication and office communication.

## TOPICS

- Professional grooming
- Job oriented skill development
- Reasoning and aptitude sessions
- Interview etiquettes
- Mock interview
- Resume writing
- Group discussion
- Placement support
- Soft skill improvement
- Leadership quality
- To enhance the communication skills
- Take part effectively in various selection procedures adopted by the recruiters.
