CHIEF GUEST:

Ms. Jobi Mather, MP, Rajya Sabha &  
President of Kerala Pradesh Mahila Congress

JUNE 2023

This report presents the contents of the presentations and discussions regarding the *Women Empowerment Program* conducted on *June 8<sup>th</sup> 2023* at Digital Theatre, Mangalam Campus.

On behalf of Women's Forum, Mangalam College of Engineering, Ms. Tiya Thambi, President-Rotary Club-MLMCE welcomed the gathering, chief guests, Ms. Jebi Mather (MP-Rajya Sabha & President of Kerala Pradesh Mahila Congress) and Mr. Zacharia George IPS, Former Director of state Women Commission).

Ms. Toshma Biju Varghese (Chairperson, Mangalam group of Educational Institutions) gives presidential address. She emphasizes the importance of respecting women in all means. Women are the epitome of wealth and power. Women play an important role in society and the whole family is dependent on women for its daily activities. They play the role of mother, wife, homemaker, cook, teacher, friend, Nurse all at the same time while catering to every body's needs. Quality Education is the key to women's empowerment. Slowly with the increase in literacy level and awareness, society has started giving importance to education. Many parents today want to educate their daughters equally as their son. Many women today are scientists, lecturers, collectors, etc.

The Keynote address is delivered by Ms. Jebi Mather, MP-Rajya Sabha & President-Kerala Pradesh Mahila Congress. She is a young and energetic women leader. She explains that Women empowerment is a term that is used to encourage, inspire and praise women. It is an essential factor for achieving human development. Women empowerment means elevating the status of women in society. It helps in eradicating all the social evils from the society, including the elimination of violence against women and girls at every level, including family, community, nation and international activity; prevention of all forms of physical, sexual and psychological abuse; access to information, rights education and opportunities for legal protection.

Followed by Expert Talk, conducted by Mr Zacharia George IPS, Rtd Supd. of Police & Former Director of State Women Commission on Women rights and Child abuse. Violence against women and girls is an extreme manifestation of gender inequality and systemic gender-based discrimination. The right of women and children to live free of violence depends on the protection of their human rights and a strong chain of justice. Evidence shows that where the “gender gap” is greater—in the status of women’s health, participation in the economy, education levels, and representation in politics— women are more likely to be subjected to violence. Especially important is economic empowerment as a prevention strategy. He concluded that Women look forward to strengthened collaboration with you and your countries through this forum to end violence against women and children.

It was a very interactive, important, relevant and amazing session which went well with the wholehearted co-operation of students, staffs and the speaker.

Few students also gave their feedbacks about the session. Overall the session was really informative where the students able to understand about the violence acts against women.

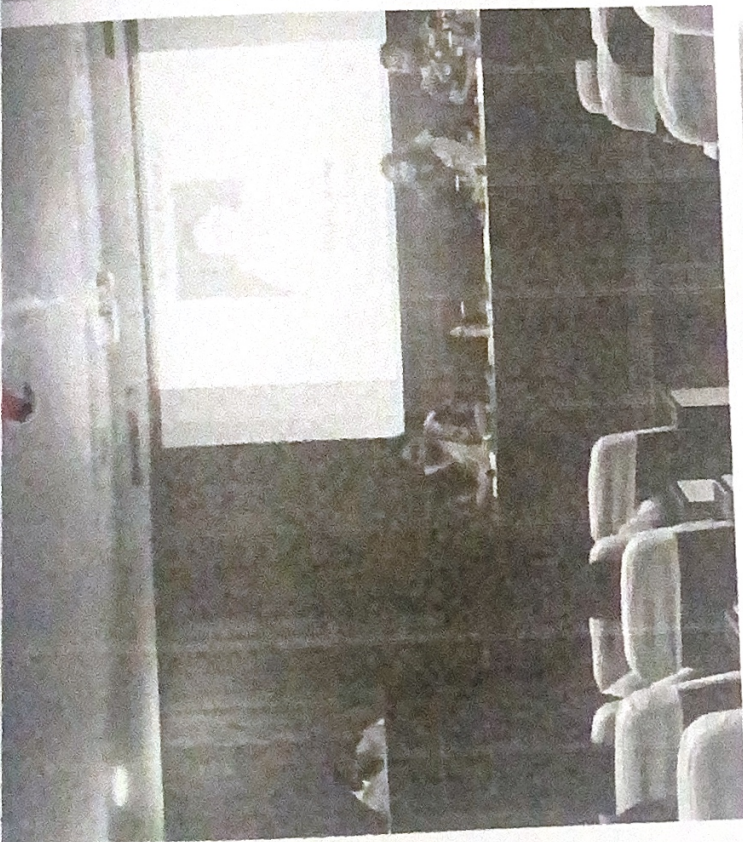

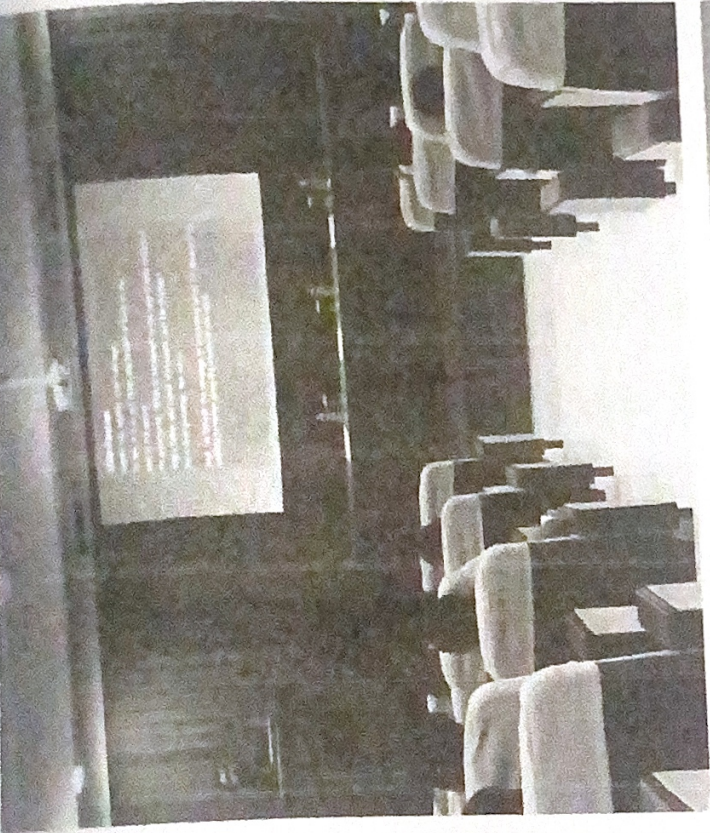

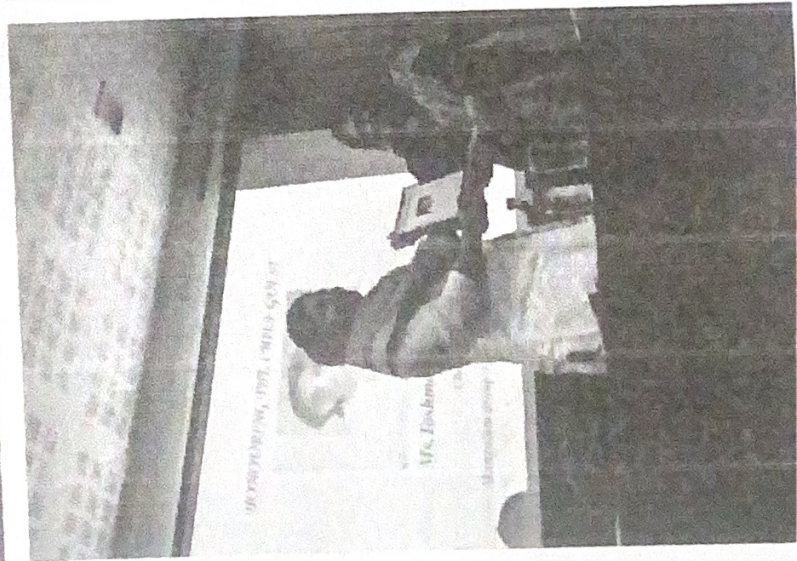

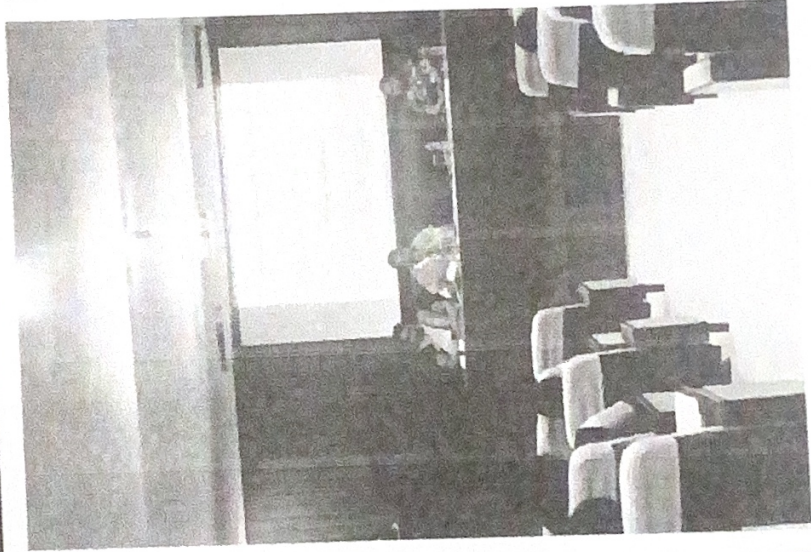

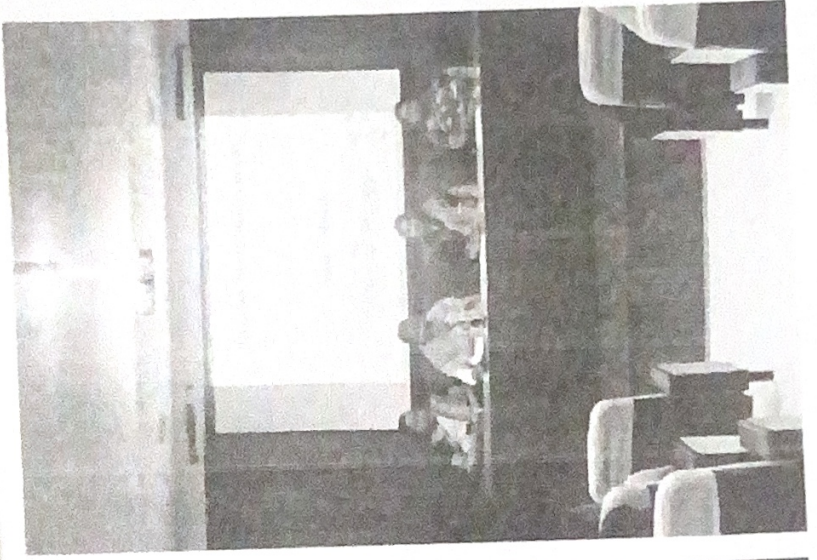

Ms. Neema George, Vice Principal, Mangalam College of Engineering delivered Vote of Thanks to the gathering

Ms. Toshma Biju Varghese presented memento to Ms. Jabi Mather as the token of love on behalf of women's Forum, Mangalam College of Engineering

Meeting ended at 4.00pm.

Report Submitted on June 9<sup>th</sup> 2023.

## INTERNATIONAL WOMEN'S DAY CELEBRATIONS REPORT 2023

This report presents the contents of the presentations and discussions in the sensitisation workshop on "Women's Career in Startup Investments " and "Career Development for Women Professionals".

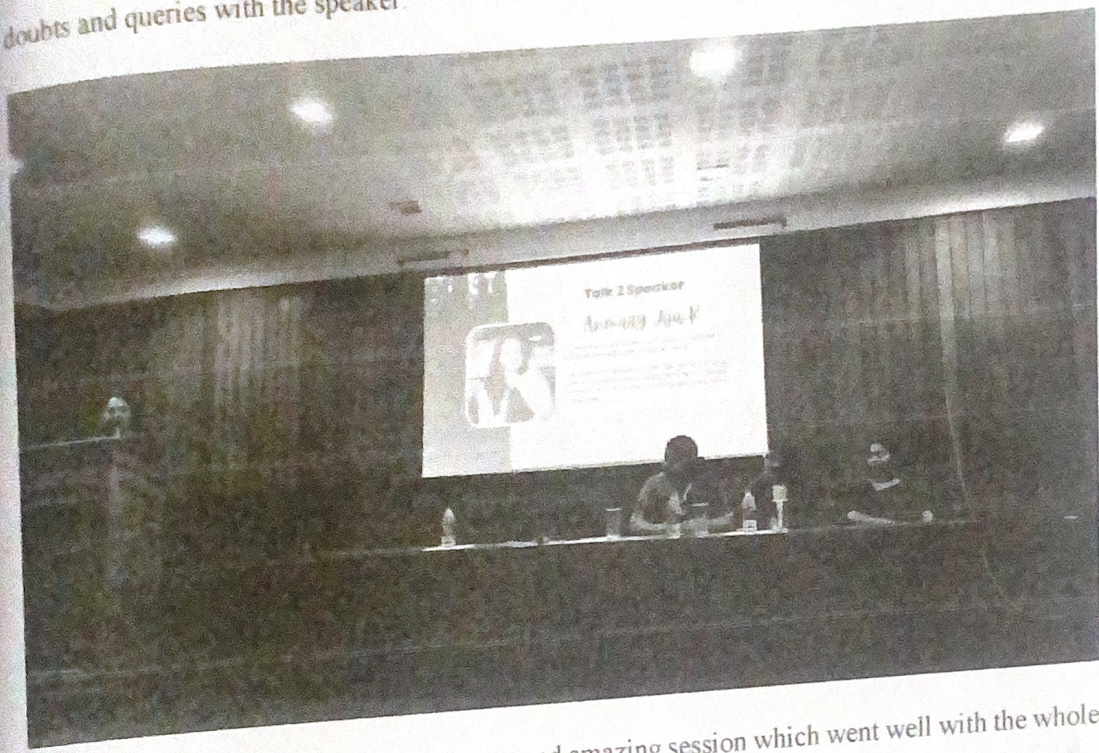

On behalf of 'International Women's Day' on 8th May 2023 , MC Varghese Technology Business Incubator(MTBI) and Department of Electrical and Electronics Engineering arranged a talk session led by Anmary Jiju K (Co-founder & COO of Jobified Business Development Head at Talrop) and also a IETE sponsored webinar by Miss Ammu Ashok(Research fellow Linguistic Department Amity University ,Delhi).Both the talk session and webinar aimed at Women Empowerment.

Miss Neema George (Vice Principal, Mangalam College of Engineering) welcomed the gathering.

Principal Dr. Vinodh P Vijayan explained the importance of womenhood , gender equality, and the importance of women empowerment .

The topics covered under the session included analysing the rate of women in businesses, the risks they face, the struggle women go through, the need of celebrating Women's day, the importance and need of women in business, the necessity to create equal opportunities for women, gender equality, career related aspects of women, the real crisis, importance of promoting business and entrepreneurship etc. There was also a question answer session where students clarified their doubts and queries with the speaker.

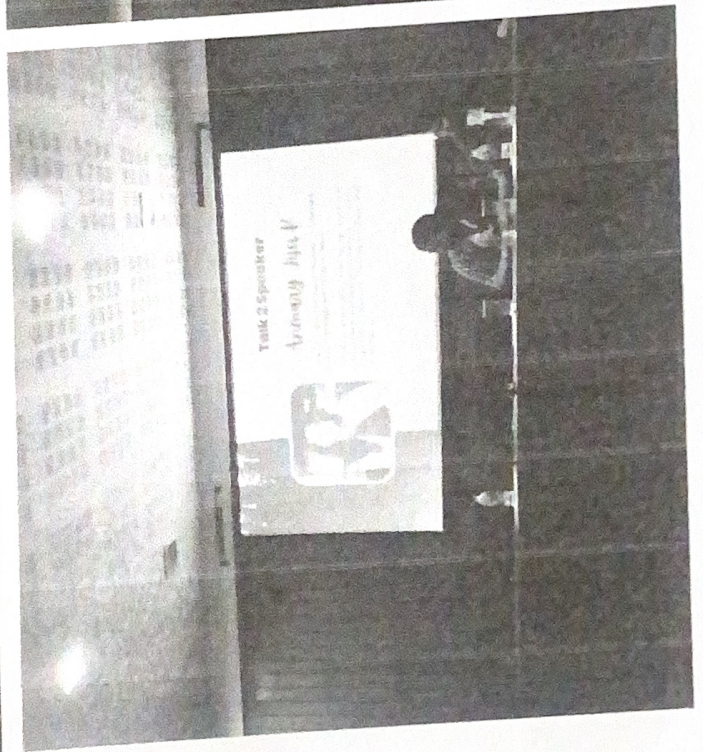

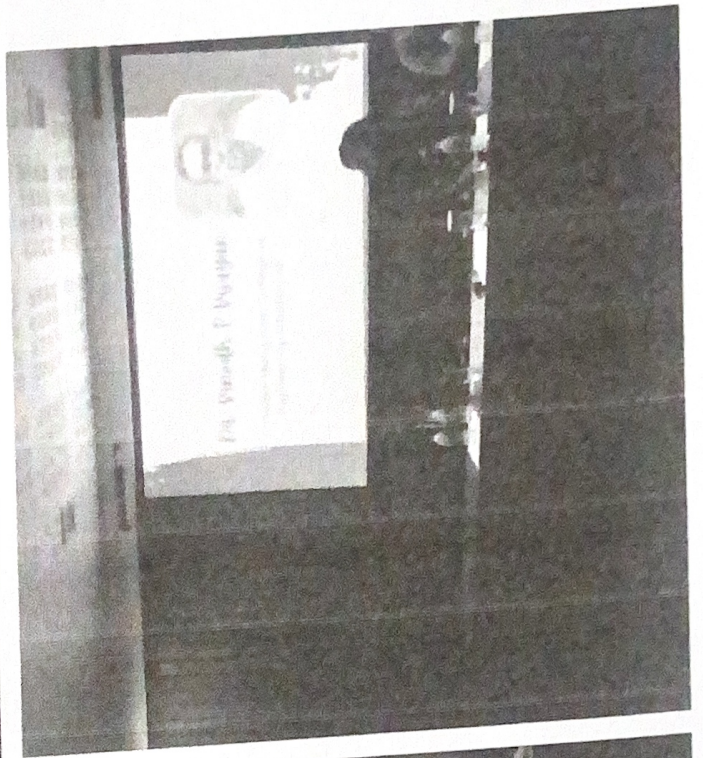

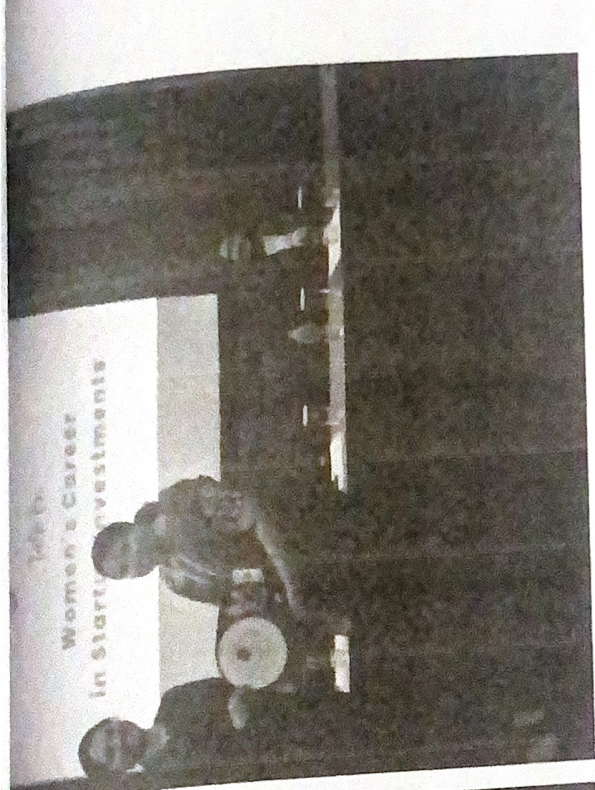

It was a very interactive, important, relevant and amazing session which went well with the whole hearted co-operation of students, staffs and the speaker.

Few students also gave their feedbacks about the session. Overall the session was really informative where the students learnt about various career opportunities in businesses and start ups. This discussion was extremely beneficial for the third and final year students.

### REPORT ON "STOP VIOLENCE AGAINST WOMEN"

Seminars/Workshop  
on  
**STOP  
VIOLENCE  
AGAINST WOMEN**  
Organized by Women's Forum

*To observe the International Day for  
elimination of violence against women...*

Resource Person: Adv P N SREEDevi  
(Rad Women Protection Officer, Kottayam)

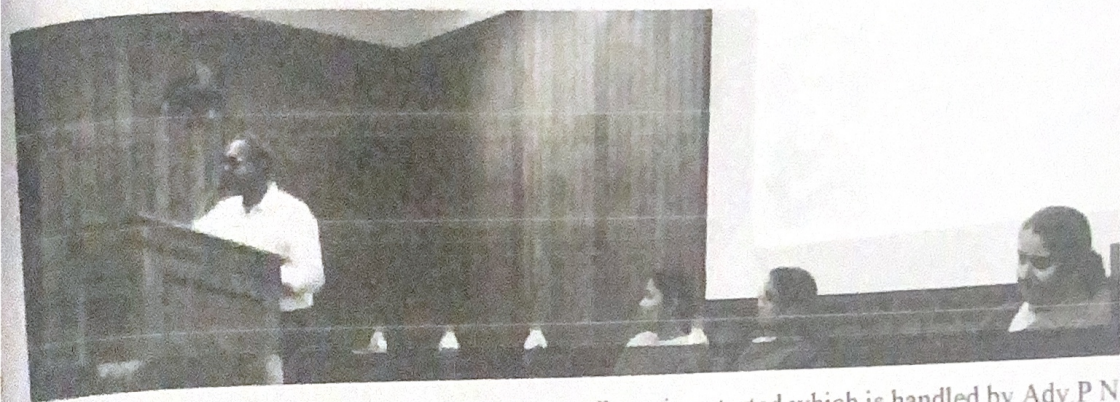

This report presents the contents of the presentations and discussions in the seminar/workshop on "Stop Violence against Women".

To observe 25<sup>th</sup> November as the International Day for the Elimination of Violence against women, on 30<sup>th</sup> November 2022, Women's Forum of Mangalam College of Engineering, conducted the workshop by Adv P N Sreedevi (Rad Women Protection Officer, Kottayam). The workshop was aiming at highlighting different issues underlining women and children. She spoke about child protection laws, women empowerment and domestic violence.

Ms Neethu Maria John, (Coordinator, Women's Forum) gave a warm welcome to all the students and faculty members to the function.

Principal Dr. Vinodh P Vijayan explained the importance of gender sensitization and his anxiety about the gender based violence due to the usage of alcohol and drug use.

Then the talk on "Stop Violence against Women" session started which is handled by Adv. P N Sreedevi.

The topics addressed in the workshop was a coordinated community approach to domestic violence. Among the issues discussed under this topic were the goal and purpose of community intervention; the role and importance of advocacy, community approaches, and research; differences in understanding of current research and investigations; and the understanding of collaboration. A second issue addressed in the workshop was the links between domestic violence and child abuse. Some of the areas of needed research in this area include a conclusive

etermination that spousal abuse is related to child abuse, children's perspective on domestic violence, and court-based access and the family abuse initiative. A third issue considered in the workshop was public education and prevention of violence against women.

Students actively participated in the interaction session with the resource person.

Total no. of students participated : 109

The meeting ended with a thank you note by Vice Principal , Ms.Neema George.
