Ms. Toshma Biju, ~~Chairperson~~ *Chairperson* of Mangalam Educational Institutions, delivered Presidential address. She emphasized the role of women in today's society. She highlighted the message about the competency of women, intellectual capacity of women as capable of holding high responsibility as efficiently as men can do.

Ms. Nisha Jose graced the occasion by addressing girl students and faculty members that they should celebrate every day as a women's day. She said "Gender equality is a right. Fulfilling this right is the best chance we have in meeting some of the most pressing challenges of our time. Women are not only more affected by the problems, but also possess

ideas and leadership to solve them. The gender discrimination still holding too many women back, holds our world back too." She put the emphasis on holding the hands together for a better future. She said that women should hand hold each other and come out stronger. Speaking on this occasion, she encouraged the girl students to work hard to realise their dreams and never to give up. She also insisted that women have special powers which they need to use these powers for their career development. She also told that education play a key role in every woman's life and exhorted girl students to aim for higher education.

The session was followed by the distributing Women leadership awards to selected faculty members and students finalized by Women's forum. Awards has been distributed by Ms.Nisha Jose to all the persons. Also she was honoured by our chairman Mr.Biju Varghese. At the same time she honoured our chairperson Ms.Toshma Biju for her role in the development of the college.

Followed by the address of Chief Guest, Mr. Zacharia George IPS(Rtd). International Women's Day, we stand with women and girls fighting for their rights, and we commit to accelerating progress. This year's theme – invest in women – reminds us that ending the patriarchy

requires money on the table. We must support women's organisations on the front line. And we must invest in programmes to end violence against women, and to drive women's inclusion and leadership in economies, digital technologies, peacebuilding and climate action. This all depends on unlocking finance for sustainable development so that countries have funds available to invest in women and girls. We also need to increase the number of women leaders in business, finance, central banks and finance ministries. This can help drive investments in policies and programmes that respond to women and girls' needs.

Women's rights are a proven path to fair, peaceful, prosperous societies

Finally *Ms. Neethu Maria John, Coordinator, Womens Forum* thanked them and ended the program whole heartily by 4.00pm.
